It is good at LAKE
CROSS, reports JOE B. LEE,
LEE'S LAKESIDE
resort, who invites anglers to
the conveniently located
resort headquarters for bait,
ice, and picnic needs.

ELTON
CROSS, reports GOOD-
will and service. They fish
out of Saturday afternoon
to the COMANCHE
LAKE—and report
the best, weighing up
to 10 pounds and a quarter.

THE FISHES will be on dis-
play at local dealers,
BROWN'S MOTOR COM-
pany and the OLESON'S
store to see these exciting
fish.

Special HEARING on the
COMANCHE COUNTY BUDGET
will be held on Thursday, October 10
at 10 a.m. in the courtroom of
County Judge D. F. Caraway.
Interested persons are
asked to be present, and offer
suggestions or discussion they
may have on the budget, says
County Judge D. F. CARAWAY.

"GOOD LUCK, JOHN"—Joe Tupin, Comanche Humble Agent, presents John Cunningham, Newburg 4-H'er, with a traveling case, and wishes the Texas winner the best of luck on his journey to Bismark, North Dakota, where young Cunningham will enter the 7th Annual 4-H Tractor Operators Contest.

INDIANS TRAVEL TO GOLDTHWAITE FRIDAY

The injury-riddled and ailing Comanche Indians face one of their toughest assignments of the season Friday night, when they journey to Goldthwaite, to take on one of the State's most highly rated Class A teams in the undefeated Eagles.

Goldthwaite, winners of a convincing 40-8 encounter with the Indians last year, have won three straight tilts. The Eagles hold victories over San Saba (26-20), over Dublin 18-12, and last week ran wild in walloping Evant 52-6.

Comanche will be seeking its first victory of the season—having lost the opener to Eastland 12-7, dropped an 8-7 verdict to Coleman, and last week, came out on the short end of a 40-0 count with Lampasas.

INDIANS HURT, ILL
Jerry Foreman, all-district fullback, is definitely out due to an ankle injury; as is Bob Allen, starting end, who accidentally shot himself in the foot two weeks ago. Don Fleet, regular

YOUNG FARMER WEEK—Eddie Joe Fortenberry of Lockney, State President of the Young Farmers of Texas, and Mrs. Bill Lane, Comanche, State President of the Young Homemakers of Texas, look on as Governor John Connally signs the official memorandum proclaiming Sept. 22-28 as Young Farmer Week.

John Cunningham To Compete In National Tractor Contest Indian Gridder Wins Football Contest

John Cunningham, 17 year old son of Mr. and Mrs. Burton Cunningham, Comanche, was honored at a luncheon here last Thursday for his outstanding achievement in the 4-H Tractor Program.

Host for the event was Joe Tupin, local Humble Agent, and Humble Oil and Refining Co. sponsors of the 4-H Tractor Program in the state of Texas. Tupin has actively supported the program in Comanche County for many years.

John, who is the top 4-H Tractor Operator this year in Texas will journey by jet plane this Saturday to Bismark, North Dakota to compete in the Seventh Annual Western U.S. Tractor Contest against champions from 20 other Western States.

Accompanying him will be his father, Burton Cunningham, who

has been the Adult Leader in the Tractor Program this year in Comanche County. Expenses for their trip to North Dakota will be paid by Humble.

Honoring John at the luncheon were Mr. and Mrs. Burton Cunningham; Comanche Mayor Gyal Pirkle; County Judge D. F. Caraway; S. H. Fletcher, Superintendent of Schools; Angus Dickson, Comanche County Agent; J. C. Wilkerson, Comanche Chief; Jim Webb, KCOM; Tupin; Roy Naugle of Humble from Dallas; George Ervin of Humble from Abilene; and Earl Ferguson and Joe Tucker of Humble from Houston.

Following a resume by Angus Dickson of John's 4-H achievements, Tupin congratulated young Cunningham for his fine work in the tractor program, wished him well on his upcoming trip to Bismark, and presented him with a traveling case.

COUNTY TAX-ASSESSOR NOW COLLECTING COMANCHE ISD TAXES

As planned a number of months ago the County is now assessing and collecting taxes for the Comanche Independent School District.

This office is on the first floor of the courthouse and all persons in our school district are encouraged to contact this office for information regarding any phase of the school tax function.

Burks Museum Open By Appointment

Burks Museum, N. Austin St., Comanche, has closed for the season, and will be open only by appointment, until Spring, announce Mr. and Mrs. A. F. Burks, owners.

Parties wishing to visit the Museum, should write or phone Mr. or Mrs. Burks, Comanche.

SCHOOL BUDGET SET, \$368,281

The Comanche Independent School District School Board held budget hearing on August 29, 1963 for the 1963-64 school year. The 1963-64 budget calls for receipts in the amount of \$374,511, as against disbursements of \$368,281. Expenditures by areas show that the following variations:

Administration — dropped from \$19,944 to \$16,991. This being due to the fact that the Tax-Assessor office was moved back to the county office.
Instruction — gained from \$256,918 to \$279,193. This gain is basically due to two things: (1) State raises on tenure for teachers and (2) the addition of five teachers to the faculty.

Health Services — gained from \$4,908 to \$5,038.
Operation of Plant — Gained from \$20,127 to \$20,435.
Maintenance of Plant — dropped from \$3,132 to \$2,293.
Fixed charges (Building Insurance) — dropped from 3,417 to \$1,533.
Student Body Activities — Transfer of monies from Maintenance Fund to Transportation when a school bus is used for extra curricular activities — dropped from \$1,613 to \$1,500.
Total Current operation expense Gained from \$310,059 to \$326, 983.
Capital Outlay dropped from \$7,123 to \$5,859.

Debt Service dropped from \$40,707 to \$35,439.
Total expenditures gained from \$357,888 to \$368,281.
The above expenditures do not include the Transportation Fund which is operated through the County Superintendent's Office.
Receipts for the school year had the following variation:
Revenue from local funds gained from \$109,146 to \$114,656.
Revenue from County Sources gained from \$339 to \$352.
State Sources gained from \$237-118 to \$259,303.
Revenue from Federal Sources dropped from \$4,467 to \$200.
Total Revenue for year gained Continued On Back Page

John Wilson, Rt. 1, Comanche, a CHS senior, who is doing a mighty good job as a linebacker for the Indians, had a perfect 10-0 prediction of grid games last week, and wins the first prize in the football guessing contest of the week.

Winners in last week's games were Cisco over Eastland, Gatesville over Hamilton, Coleman over De Leon, Dublin over Santa Anna, Stephenville beat Winters, Comanche lost to Lampasas, Blanket whipped Hico, Rochelle surprised Rising Star, Brownwood trounced Cleburne, and Castleberry whipped Weatherford.

Postal Clerk Roy Bloyd missed only the Rochelle-Rising Star game, as did Mary Ruth Ross, Jerry Wright, and Dwayne Cottrell. Bloyd and Mary Ruth Ross get the runners-up prizes.

Making the honorable mention list, with two incorrect predictions were Gayle Rippetoe, John D. Hicks, C. C. Ross, Virgil Townsend of Zephyr, F. J. Smith of Brownwood, G. A. Reid of Graham, Donnie D. Hicks of Temple, Brantley C. Smith, Jimmy Farley and J. E. Carpenter.

Interest was strong in the contest again last week, with more and more predictions coming in each week. And how can you pick 'em? There's another contest this week; turn to the football page, and clip the coupon, circle the winners—and for the top three predictions, new prizes each week. First is \$5 cash; and for the two runners-up, years' subscriptions to The Chief.

Girls Football Game At Sidney

There will be chills and thrills, but we hope not too many spills on the Sidney High School gridiron Friday night, September 27, as FFA girls choose sides for a game of football.

But who will cheer, when thrilling plays are made—the football boys of course, in the pep squad. A big half time entertainment is planned too.

Newburg Cemetery Working Saturday

There will be a cemetery working at Newburg on Saturday, Sept. 28. A basket lunch will be served at noon.
D. F. Caraway, president of the Newburg Cemetery Association, in extending the invitation to all interested in the welfare of this project, says to come early and plan to spend the day.

Sidney Eagles Beat Carbon 18-14

The Sidney Eagles beat Carbon 18-14 in a hard fought game played last Thursday night at Sidney.

Scoring for the Eagles was by Bill Scott, who went in from 15 yards out; a 36 yard pass from Scott to Merworth; and Tommy Hutchins, who blasted in for a score from 7 yards out.

The Sidney Junior High grid-ders beat Mullin Friday Night, Sept. 26. Last week, the future Sidney Eagles beat the Carbon Junior High 34-0.

Seeking Opponent
Eagle Coach James Able says his team is looking for a game on October 3 or 4 with a six-man team in the area—and will either play at home or away.

Re-Enters TWU at Denton
Sherri Robinson, daughter of Mr. and Mrs. J. Y. Robinson, has re-entered Texas Woman's University at Denton for her sophomore year. During the past summer season, Miss Robinson attended Tarleton State College at Stephenville.

Tunnell, Barnes Attend National Legislature Meet

House Speaker Byron Tunnell and 73rd District State Representative Ben Barnes of De Leon, chairman of the House Rules Committee, represented the State of Texas at the annual meeting of the National Conference of Legislative Leaders which was in session in Boston, Mass., from September 24th through 27th.

The Conference was organized in 1959 with the purpose of providing a means to strengthen the organization, procedures, and research methods of state legislative bodies. It is attended by the legislative leaders of the fifty-states.

This year's conference included a full schedule of meetings, panel discussions, and speeches on subjects of interstate interest, and was concluded by an address by the President of the United States.

Week-End Visitors

Week-end visitors in the home of Mr. and Mrs. Jack Reynolds, Comanche, were Mr. and Mrs. Henry Reynolds, Mr. and Mrs. Nick Reynolds of Canton, Mr. and Mrs. L. A. Bates of Aledo, Mr. and Mrs. Gene Draper of Lakeview and son-in-law, John and Barbara of Roperville.

YOUNG FARMER WEEK CONTINUES THRU SUNDAY

The first week of fall, September 22-28, has been officially designated as Young Farmer Week in Texas by proclamation of Governor John Connally.

The proclamation signed last August 29 on the Tenth Anniversary of the Young Farmer organization gives additional recognition to the rapidly growing farm group.

Young Farmer work is sponsored under auspices of the vo-ag department in the public schools. Some 164 Young Farmer chapters have been organized on local school district or county wide basis to carry out educational activities which will help keep them abreast of the technological advancements in the field of agriculture and will enable them to develop greater skill and efficiency in management, production, and marketing. Governor Connally points out in the proclamation that, in addition to educational activities, Young Farmers incorporate in their planned chapter programs civic and community service projects and leadership development activities which are designed to improve their communities, State, and Nation, and to promote the welfare of all citizens. He further points out that through their efforts Young Farmers are helping to strengthen the economy of our country and are promoting good citizenship.

September 22-28 has also been designated as Young Homemaker Week in Texas. The Young Homemakers is a companion organization to Young Farmers; membership in the Young Homemakers is composed primarily of wives of Young Farmers. Over 100 chapters have been organized in districts where Young Farmer chapters are located. Home and Family Life Education Teachers sponsor Homemaking chapters.

Eddie Joe Fortenberry of Lockney is president of the State Association of Young Farmers. Mrs. Ann Lane of Comanche County is Young Homemaker president.

State President Visits Gustine FFA

Gustine FFA Chapter was recently honored in a visit by State FFA President Benny Maya and Area IV President David Standard.

Both made very interesting talks to the Gustine group. The State FFA president was elected at the State Convention in Lubbock last July.

Scout Ritchie Croft Receives God & Country Award

Star Scout Ritchie Croft, son of Mr. and Mrs. John Croft, Proctor, recently received the God and Country Award in services at the Proctor Methodist Church. Ritchie has studied with his pastor, Jensen Davis, for a year to qualify for this award. In the God and Country Award program a Scout explores the field of religion. The twelfth point of the Scout Law recognizes the place of religion in life. This program is a guide to discover trails that lead upward to God, inward to a better understanding of spiritual needs, outward in service to fellowman and forward in Christian citizenship.

Ritchie is a member of Comanche Troop 47 and a Brotherhood member of the Otawa Lodge, Order of the Arrow. Ritchie's father is his Scoutmaster.

State From Odessa

Mr. and Mrs. Harold Hawkins of Odessa visited with friends here over the week-end.

Hard running Larry Harbour of the Indians is shown driving the big, tough Lampasas line. The Badgers, averaging 165 lbs. in the forward wall, looked good in handling the Indians their most

All is quiet on the political
front in Comanche County, Tex-
as, and the entire United States,
and it seems that an era of good
feeling prevails.

Very few are "cussing" Ken-
nedy or Connally out in the op-
en, at least, except in a few fun-
ny jokes that are being repeated
on the streets or in the work
shops.

Nixon, who missed leading in
the regular vote 3 years ago by a
small fraction of one per cent, is
hardly ever mentioned in the
press, or on the air or screen.

Many Texas voters perhaps
have forgotten who Don Yarber-
ough is, but in the daily press this
week it was announced that he
is going to run again for gov-
ernor, and according to his own
prediction, he is going to be elect-
ed this time.

He surprised most of us two
years ago and according to his
own predictions, he is going all
the way for a score this time.

The first election scheduled in
Texas, however, is a State Con-
stitution election less than two
months off, which is going to be
held on Saturday, November 9.

One of these propositions is to
do away with the poll tax as a
requirement for voting which has
been in effect since 1903.

The poll tax provision was placed
in our State Constitution in
1876 when a new constitution was
adopted following the close of
the Civil War when Texas came
back into the Union after be-
longing to the Southern Confed-
eracy during the Civil War.

However, the payment of a
poll tax in order to become a
voter in Texas, did not go into
effect until 1903, sixty years ago.

The poll tax was first put into
the Texas Constitution for the
purpose of raising money for the
support of public schools, which
were almost without funds at
that time.

\$1.00 of the \$1.75 collected for
the poll tax today still goes to
Texas public schools.

The last session of the Legis-
lature proposed that if voters
repeal the poll tax in Texas that
each voter be required to re-
gister at the beginning of each
year for which he would be
charged a small fee of 25c and
he would have to show his regis-
tration receipt when he went to
the polls to vote.

Even if Texas voters should
turn down the proposed repeal of
the poll tax, such a receipt with-
in a few years would be outlawed
anyway since the U. S. Congress
has passed a resolution submis-
sing that amendment to the 50
States of the Union. It would be
almost sure to carry as only 5
States at the present have such a
requirement.

Honorable Crawford C. Martin
of Hillsboro, who served as State
Senator of this district for 14
years from 1949 until 1963, was
on January 1, 1963 appointed by
Governor John Connally as Sec-
retary of State. Comanche, how-
ever, was not in Martin's district
all of this time.

Martin received further hon-
ors on June 21, 1963, when he
was elected as an honorary mem-
ber of the Texas Hospital Asso-
ciation. This was the first hon-
orary membership presented since
1954, and only 7 other non-doctor
citizens in the State hold such an
honor.

Martin was cited for his lead-
ership in the role of good health
and medical care during his long
tenure in the Senate.

Of major importance was Mar-
tin's leadership in the program
for the aged citizens and his
sponsorship of the nationally re-
cognized medical aid program for
Old Age Assistance recipients on a
Blue Cross-Blue Shield contract
through the State Department of
Welfare.

Martin's leadership in the role
of good health and medical care
in the State of Texas is well
known, especially to those cog-
nizant of the health field in Tex-
as.

Born March 13, 1916 in Hills-
boro, Martin is a graduate of the
University of Texas Law School
and is an honorably discharged
veteran of the U. S. Coast Guard,
World War II. He is an elder in
the Presbyterian church. Martin
is married and has three children.

Although some dissatisfaction
has been expressed about the

early May and June primaries in
Texas, nothing has been done
about it, and they will be held
in Texas again in 1964 on the
same dates.

Several political announcements
were made in the county papers
in 1962 before Christmas, which
is now just three months off. So
far little discussion has been go-
ing on about local politics.

Belve Bean says that it is not
his intention now to seek re-elec-
tion as sheriff.

Leon Sledge, deputy sheriff, is
being mentioned as a probable
candidate for sheriff.

Holdover officers of the county
and district include the following:
J. P. Word, Meridian, State Sena-
tor; Elso Brinson, County School
Superintendent; Ben Wilhelm,
District Clerk; D. F. Caraway,
County Judge; C. C. Hampton,
County Attorney; Mrs. Amalea
Ellis, County Treasurer; Fred
Hall, County Clerk; Eddie Mc-
Dougal, Commissioner, Precinct
No. 2; Charlie O. Clinton, Com-
missioner, Precinct No. 4; O. A.
Brazel, Justice of Peace, Precinct
No. 1; and Howard (Hoot) Baker,
Justice, Precinct No. 5.

County officials besides the
sheriff to be elected in 1964, in-
clude: Tax Assessor-Collector,
now held by John Beatty Jr.; Com-
missioner of Precinct No. 1, now
held by Bill Elliott; and Com-
missioner, Precinct No. 3, now
held by Irvin Dunn.

Comanche does not have a
constable at this time. Sam Salois,

who was elected Constable, Prec-
inct No. 1, in the General Elec-
tion of 1962, resigned some time
ago and now successor was ap-
pointed.

The only constable post now
filled in Comanche County, is
Constable Precinct, No. 5 (De
Leon). At times in the past there
have been as many as five con-
stables serving at one time in the
county.

Frozen Eggs For Supper
Sam Bradley, Food Supervisor
for the Texas Prison System, now
generally known as the Texas
Department of Corrections, has
won a moral as well as an econ-
omic victory over 40,000 laying
hens owned by the prison system,
according to a news release from
Huntsville.

Bradley, charged with the re-
sponsibility of feeding nearly 45-
000 meals per day to inmates and
employees, was concerned over
fact that the laying hens while
producing in excess of 700,000
dozen eggs each year, did not
produce their eggs on an equal
monthly rate.

"We were getting more eggs
than we could use during the peak
laying months, and then during
the winter months, we had to
purchase eggs on the open mar-
ket," according to Bradley who
added, "So, we decided to do
something about it."

Beginning in the peak laying
season of 1962, Bradley devised a
method of freezing eggs. All

surplus eggs of the system were
shipped to the Gore unit where
the women inmates separated the
whites from the yolks.

The separated eggs are then
placed in aluminum containers,
quick frozen, and stored in deep
freeze.

During 1962 more than one
thousand cases of eggs were froz-
en in this manner and the inmates
just loved them. Prison officials
expect to freeze more in 1963.

Bradley says that in 1962 for
the first time in many years, the
Department of Corrections did
not have to purchase any outside
eggs.

During 1961, more than \$15,000
was spent for outside egg pur-
chases.

The frozen eggs are used in
the same manner as fresh eggs.
Bradley said, "Of course, we do
not serve them sunny side up, but
serve them scrambled and they
are just as good as fresh eggs."

The inmates of the prison say
they are pleased, as they get to
eat more eggs than before.

Agriculture Director Byron
Ferson says that he can now
develop his prison poultry system
without fear of the surplus eggs
going to waste.

The tax payers should be pleas-
ed, too, as it helps cut down the
cost of the operation of the pris-
on system. Food Service Director

Bradley is pleased and says, "I
suppose everybody is pleased, ex-
cept maybe the hens and I hope
they are not upset, but at any
rate they are still laying their
quota of eggs."

We are indebted to Bob and
Ruby Robertson for a recent
copy of The Yuma Daily Sun,
which contains a story describing
the wonderful program that is
being put on at Yuma, Arizona,
for the entertainment of the Sen-
ior Citizens of that flourishing
little city.

Bob and Ruby Robertson, as
some readers of The Chief will
recall, are former citizens of Co-
manche and both taught school
in the county for a number of
years; and for a while he oper-
ated a welding shop in Comanche.
Later they both worked in de-
fense plants in the Texasiana
section and are now retired and
Bob is devoting much of his time
as reporter and booster for the
Yuma Senior Citizens Club.

The story sent The Chief by
Robertson, in part, is as follows:
"The Senior Citizens Club pro-
gram in Yuma is unique in many
ways.

"While it is not unusual for a
program of this kind to be spon-
sored by a government agency,
such as the Recreation and Park
Department, is doing here in
Yuma, the extent of the support
given is extra ordinary.

"The Department furnishes not
only the facilities for carrying

on the program including spac-
ious and adequate housing, chairs,
tables and other equipment; but
also proficient and professional
leadership is provided.

"Several staff of the Depart-
ment are assigned to assist the
Senior Citizens Program.

"While the club is left free to
carry out its own program pretty
much as it wishes, the profes-
sional leaders are available and ready
to assist whenever desired.

"Combining the leadership of
the Recreation and a Park Depart-
ment with that of the club mem-
bers themselves, assures the or-
ganization a very unusual pro-
gram.

"The program itself is unusual
in that it provides 'something of
interest for everyone'. It there-
fore takes into account the wide
and diversified interest of the
members.

"The program is especially de-
signed to meet the need of the
older retired people—social, cul-
tured, and recreational.

"Thus our motto, 'Have Fun' is
at the very center of all our ac-
tivities. This aim, 'Have Fun' is
clearly indicated by the weekly
calendar of events to be partici-
pated in and enjoyed by the
Senior Citizens in Yuma.

"Here is an example of a typi-
cal weekly program:

Weekly Calendar
"Tuesday, 1:30 to 4:30 p.m.

Entertainment Day. Community
singing, special entertainment,
movies, travelogues, games and
refreshments.

"Thursday, 7:30 to 10:30 p.m.
Fun and Frolic Night: Dancing
and refreshments.

"Friday, 9 a.m. to 4:30 p.m.
Arts and Crafts Day. Instruction
in various arts and crafts, games
and refreshments.

"Saturday, 7:30 p.m. A night
of square dancing.

"Sunday: Religious services
with each member attending the
Sunday School and Church ser-
vices of his own choice.

No Fees Charged

"Another feature of our own
program is that there is no mem-
bership fee. In most cities through-
out the United States members
of the Senior Citizens Clubs are
required to pay dues, usually an
annual or semi-annual dues.

"The founders of the Yuma
Citizens Club including the su-
perintendent of the Recreation and
Park Department recognizes the
fact that many older people up-
on their retirement had to accept
greatly reduced income. There-
fore, they do not have much money
to spend for social and recrea-
tion.

Free Hearing Clinic - Dr. Slider's Office

If an eye specialist had only two or three lenses
he could prescribe for his patients. It's not likely
the glasses would fit everyone. Sure... you might
be able to see through them, but they would be
too uncomfortable... the effort to see would be
a strain... likely to cause headaches and nervous
tension.

Most ready-made hearing aids work fine... if
they fit your hearing! Glasses are you won't
find an instrument that exactly fits your needs from
a stock of ready-made hearing aids. That's why
we write a hearing prescription for you and build
an instrument that EXACTLY fits your particular
requirements.

You don't buy corrective lenses OFF THE SHELF.
You go to a SPECIALIST who prescribes the exact
correction your eyes need. Doesn't it make sense
to be as exact about your hearing?

Announcing ...
Texas Nursing Home Week
This Week--Sept. 22-28

It is A Pleasure To Serve The
People of Central Texas

We are proud to announce the expansion of WESTERN HILLS is now underway. We are increasing the number of rooms from 40 to 60—and will be ready in about 6 weeks to serve an additional 20 more persons.

We appreciate the nice acceptance that our nursing home has received since opening last January.

You are welcome to come and visit us during this special TEXAS NURSING HOME WEEK—or at any time!

FAT OVERWEIGHT

Available to you without a doctor's prescription, our drug called ODRINEX. You must lose ugly fat in 7 days or your money back. No strenuous exercise, laxatives, massage or taking of so-called reducing candies, crackers or cookies, or chewing gum. ODRINEX is a tiny tablet and easily swallowed. When you take ODRINEX, you still enjoy your meals, still eat the foods you like, but you simply don't have the urge for extra portions because ODRINEX depresses your appetite and decreases your desire for food. Your weight must come down, because as your own doctor will tell you, when you eat less, you weigh less. Get rid of excess fat and live longer. ODRINEX costs \$3.00 and is sold at this GUARANTEE: If not satisfied for any reason just return the package to your druggist and get your full money back. No questions asked. ODRINEX is sold with this guarantee by: **SERVICE DRUG STORE, Comanche.** Mail Orders Filled. (13-16p)

essary, no selling. For interview in your area, write at once
to NATIONAL EQUITY, INC. Box 20520, Dallas 20, Texas.

Emmett Long
Passes Away

Contributed

Emmett Harris Long, son of
the late Daniel T. and Sarah
Harris Long, was born April 23,
1879 in the Shiloh community
southeast of Comanche. His par-
ents were pioneers in the settle-
ment and development of this
country and his impressionable
years were spent amid the en-
vironment of nature and in contact
with such self-reliant and self-
willed folk as can face the hard-
ships and discomforts of pioneer
life.

Surviving brother and sisters
who shared this rich heritage
with him are Richard P. Long,
Lincoln, Nebraska, Mrs. Ruth El-
lis, Warren, Arizona, Mrs. Clay
Montgomery, Ozona, Texas, Mrs.
E. H. Bobo, Ranger, Texas, Mrs.
John Burton and Miss Mamie
Long, Comanche, Texas.

Emmett Long became an integral
part of the Shiloh neighbor-
hood. He attended school there,
grew to manhood there. Follow-
ing his marriage October 18, 1916
to Miss Johnnie Burt Lewis of
the Harmony community, they
established their home there and
continued to operate the family
farm Emmett had helped to till
as a growing boy.

Both of them enjoyed the special
satisfaction of being helpful
to others. They took vital interest
in each others large families and
assumed responsibility toward
family and neighbor during per-
iods of stress and rejoiced with
them at times of ease and happi-
ness. Two daughters were born
into this family.

Following the death of his be-
loved wife July 14, 1941 and the

subsequent marriage of both
daughters in 1942, Mr. Long left
the farm. He worked for a time
in development work at Camp
Bowie, Brownwood. Later for
some while he worked at the Mc-
Dougal Feed Mill and Auction
Barn.

Throughout his life the author-
ity which spurred his spirit high
was his love for people and his
interest in them. His hobby was
folks. He visited with and en-
joyed every person he met.

The peak of his attribute was
his unflinching love and devotion
to members of his immediate
family, his daughters and their
families. They were ever in his
thoughts, their names no his lips.

So long as health permitted he
traveled frequently by bus, train,
and plane to Texas towns, to
distant States to visit them where
ever they were.

They are Mrs. June Pettit,

Houston and Mrs. Walter (Nan)
Williams, Las Vegas, Nevada, and
five grandchildren, Carolyn, Pat-
rick and Sharon Pettit, Houston,
and Midshapman Rick Williams,
Annapolis, Maryland, and Cadet
Mark Williams, Roswell, N. M.

As age advanced for Mr. Long
he wanted to remain in Coman-
che amid familiar scenes and
faces. His declining years were
spent in the home of Mr. and
Mrs. Cecil Spivey whom he loved
dearly and rightly so.

His eighty-four years of life
witnessed great changes in con-
ditions about him and in affairs
of the world. He adjusted easily
to change for he possessed an
even tempered courage, the will
to live and a sense of both duty
and pleasure in living. He will be
remembered with love and ap-
preciation.

RED & WHITE

QUARTERBACK GRAY JOLINK, a junior, is about to take the snap from Center Skipper Shumpes, as the Indians get ready to go against the tough Badger line at Lampasas last Friday night. The Badgers smashed the Indians 40-0.

Lampasas Swamps Injury Riddled Indians 40-0

With three-fourths of the regular backfield sitting out the game, the injury riddled Comanche Indian squad proved no match for the Lampasas Badgers, and went down 40-0 in a game played before a good sized crowd in Badger Stadium Friday night.

Held scoreless in the first quarter by an outmanned but not outfought Indian team—the Lampasas Badgers scored on the first play from scrimmage in the second stand, on a 33-yard scamper by fleet-footed halfback Bob Bellamy. The Badgers went on to rack up twenty-six points in the quarter to leave at intermission time with a convincing 26-0 edge.

The Badgers second touchdown came, a few plays later, with Dick McBride scoring on a four-yard sneak, following interception of an Indian aerial.

Halfback Trent Lancaster got into the scoring act on a 23-yard burst. Jerry Don Shook added two extra points.

Comanche made one deep penetration in the second quarter—and with a minute to play before intermission time, had a first down on the Badger 15. This threat was short lived, as Trent Lancaster made a pass interception on the next play, on his own five yard marker—and added good interference, and fancy blocking went 95 yards in for the touchdown, with 15 seconds to play in the half. This made the count 36-0.

The Badgers got another touchdown in the third period—and added a fourth period counter, set up by a Clyde Hetherly run of 55 yards.

The Indians, led by Back Larry Harbour, playing his first game of the season, were able to move the ball pretty well against the Badgers—making 3 first downs to their night's work.

Harbour Runs Hard

Harbour, who ran hard all night, picked up 72 yards in 17 trips with the pigskin. Halfbacks Larry Bonner, who had 27 yards in 9 carries and Eddie Henry, who gained 35 yards in 7 tries, ran hard throughout the contest.

Jerry Foreman, who missed the Indian-Coleman game due to an ankle injury, suffered an injured ankle again against the Badgers. The all-district performer, in five trips, averaged 5 yards.

Regular Indian Quarterback Don Feist, also suffering from a leg injury, didn't play a down; and Gray Jolink, a junior, was at the helm at every offensive play. Bob Allen, regular fullback, who accidentally shot himself in a foot two weeks ago, of course, was unable to play—and Foreman saw only limited action.

Center Skipper Shumpes led the Indian line play. Billy Williams did another good job punting, and came up with some timely tackles. John Wilson, Tommy Willis, Harbour, Bonner, and Foreman were among the locals, who were key men on defense.

Tommy Willis, Indian halfback, gave Comanche partisans something to cheer about in the fourth quarter, as he intercepted a Badger pitchout at his own five yard marker, and raced sixty yards before being caught by a fleet-foot Badger. The Indians were on the Badger 10 yard line as the game ended.

Slag Creek Hosts Foreign Student

Thirty-five people met on Sept. 16 at the Slag Creek Community Center with their supper which consisted of fried chicken, chicken and dressing, steaks and roasts, all kinds of vegetables, cakes, pies, hot rolls, coffee and tea—to visit with Adnan Arjouni Mohmound of Amman, Jordan, who had been studying journalism, news-writing and photography in the University of Wyoming.

Following the meal Adnan Mohmound told the group of many things, customs and traditions of his country, with each person taking part on the program asking about the subjects of agriculture, religion, education, climate, music, wedding ceremonies, and comparing with those in our country. J. A. Cox then showed color slides of community projects and activities in the country, with Mohmound asking questions, particularly concerning rural work in small communities.

COMANCHEANS ARE BACK FROM CHICAGO

Mr. and Mrs. Dan Butler and daughter, Lorraine, and Mrs. Illene Hayes, all of Comanche, have just returned home after a two weeks vacation in Chicago. This was Mrs. Hayes' first trip to Chicago and she really enjoyed the trip. While there, Mr. and Mrs. Butler visited her son and grandchildren and his daughters and grandchildren.

During their trip they saw a great many interesting sights, especially through the Missouri Ozarks. Lake Michigan offered warm water for either swimming or wading. All in all they had a wonderful time and are looking forward to another trip next year.

Mrs. J. E. Poyner Rites Tuesday

Mrs. J. E. Poyner, 60, passed away Tuesday, Sept. 17, at her home in the Sweetwater community, Comanche County.

Funeral services for Mrs. Poyner were conducted at 2 p.m. Friday, Sept. 20, in the Oak Lawn Funeral Home Chapel, Comanche, with Rev. Don Burton of Weatherford officiating.

Interment was in the De Leon Cemetery.

Pallbearers were Mrs. Poyner's nephews.

Mrs. Poyner, the former Ethel Lee Spicer, daughter of the late Billy Spicer and Leona Northcutt Spicer, was born September 23, 1902 in Comanche County.

She was converted when she was about 13 years of age and joined the Baptist Church. She was a member of the Sweetwater Baptist Church at the time of her death.

She was married to J. E. Poyner on September 23, 1920 in De Leon. To this union, 7 children, 4 sons and 3 daughters, were born. Two sons and a girl preceded her in death.

Mrs. Poyner is survived by her husband; two daughters, Mrs. Bryant Jones of San Angelo, and Mrs. Jerry Payne of Anadarko, Oklahoma; two sons, James Poyner of Fort Worth, and Larry Poyner of Glendale, California; and 10 grandchildren.

Returns From Lubbock Mrs. Joe Marshall visited her son-in-law and daughter, Mr. and Mrs. Buster Hicks and children in Lubbock last week. She attended the Texas Tech-Washington State football game Saturday afternoon, and saw the Tech Red Raiders upset Washington State 14-6.

Houston U. Enrolls 16,000 Enrollment at the University of Houston hit the 16,000 mark this week—an all time high.

Carl Isham Taken By Death

Carl Isham, 49, passed away Friday, September 20, at his home, 904 Melwood in Brownwood.

Funeral services were held Sunday, September 22 at 2 p.m. in the Davis-Morris Funeral Chapel in Brownwood with Rev. S. J. Isham officiating.

Burial was in the Blanket Cemetery.

Alton Carl Isham was born August 29, 1914 in Comanche County. He was the son of the late Mr. and Mrs. D. H. Isham.

He is survived by his wife, Estelle; two daughters, Mrs. Wanda Knight of Houston and Mrs. Joe Ann Pruett of Snyder; two sons, Raymond Isham of Blanket, and Wayne Isham of the home; and seven grandchildren.

Also surviving are, a sister, Mrs. Hobart Atterbury of Comanche, and five brothers, E. C. and Edward Isham of Comanche, Alver Isham of Sultan, Wash., Otho Isham of Weatherford, and Euell Isham of Fort Worth.

Dedication To The Garden Center

by MRS. PORTER FRANKS (9-19-63) Comanche, Texas

For sure it was several months ago the Comanche Garden Club brought forth on this location a new venture conceived in boldness and dedicated to the proposition that all dreams are created free and equal.

Now we are met on a great day of triumph, testing whether that venture, or any other venture so conceived and so dedicated, can long endure.

We are met on this very wonderful occasion, proving that with a community of effort, in our great American way of life, dreams do very regularly become a living reality.

We have come here today to dedicate a portion of that early dream which has become a present reality.

It is altogether fitting and proper that we should do this. But in a larger sense, we cannot dedicate, we cannot hallow this Garden Center. The brave, bright,

creative, artistic and dedicated women living and dead, who have struggled here have already consecrated it far above our poor power to add or detract.

This community will little note nor long remember what we say here but it will not soon forget what they have done here. It is for us rather to be here dedicated to the unfinished work which they have thus far so nobly advanced.

It is rather for us to be here dedicated to the great task remaining before them that from this honored foundation, we take increased devotion to that cause for which the Garden Club Members have already given such a full measure of devotion.

That we here highly resolve that these magnificent efforts shall not have been made in vain and that this Garden Center of Comanche be here dedicated to a program that will reach out from its members to the community, to the state, and to the nation.

For it is thru the services of this Center that a closer relationship between nature, God, and man may be created and that dream of a Garden Center to be of the people, by the people, and for the people shall not perish.

FEDERAL TAX REFUND FARM GASOLINE FOR '62-63 TO EXPIRE SEPTEMBER 30

All claims for the 4c Federal Tax Refund on gasoline used on the farm must be mailed by September 30th which is the final date for mailing this year.

NTSU Has 10,500 Enrollment Enrollment at North Texas State University, Denton, is 10,500, with the 1963 enrollment being 10,500. A waiting list of women students wanting to live in Denton means more than were unable to attend. Reservations for living quarters were closed down last April 1.

The average Social Security retirement claim awarded in 1963 was \$80.78 per month but shall continue to grow an even more beautiful and meaningful reality.

Sharon Rackley Selected For Girl of Summer

On Tuesday, September 3, the FHA executive council selected Sharon Rackley as Girl of the Summer. She was chosen on the basis of leadership and work during summer homemaking classes. Sharon served as recording secretary last year and was elected treasurer for 1963-64. She has

completed the junior and chapter degrees and is now working on her state degree. Besides being in FHA, Sharon is a member of the National Honor Society, FTA, Library Club and the Proctor 4-H Club. She enjoys cooking and plans to become a home economics teacher.

936 Grid Teams Competing in UIL in 1963

The Interscholastic League's 1963 football season will feature teams from 936 high schools in Texas, 17 more than took part in the 1962 season. Texas will field more high school squads than any other state. This fall there will be approximately 7,500 A, B, and junior high school football games played with an estimated 100,000 boys playing before approximately 10,000,000 people. The 1963 breakdown is AAAA, 126 schools; AAA, 109; AA, 192; A, 193; B, 189; eight-man, 57; six-man, 70.

Gamma Zetas Meet in Hico

Gamma Zeta Chapter of Delta Kappa Gamma enjoyed the first fall meeting in the home of Mrs. Odie Petsick of Hico. Members from Mills, Erath, Hood, and Comanche Counties answered roll call following the

social around the beautiful tea table. There was no planned program for this meeting. The time was given to a business session and to group meetings of various committees. Plans are in the making for a regional meeting in November to be held in Stephenville. Those attending the meeting from Comanche were Mrs. Elsie Rea, Misses Mabel Hall, Jewel Werner, and Ollie Sloan.

Miss Nancy McPherson And Wallace Gootman Married Saturday, September 14 In Hamilton

A double ring ceremony uniting Miss Nancy Helen McPherson and Wallace B. Gootman in marriage was solemnized Saturday, Sept. 14th, at the Reagan Street Church of Christ in Hamilton. Dr. George Tolbert, Church of Christ minister, officiated at the ceremony that was performed before a Gothic arch of lit candles. Large vases of white gladioli palms created the background scene for the altar. The bride is the daughter of Mr. and Mrs. William Forrest McPherson of Canyon, formerly of Pottsville. Her husband is the son of Mr. and Mrs. E. L. Gootman of Gustine. A choral group of mixed voices presented the traditional wedding march and special music including "Because" and "Whither Thou Goest". The bride presented her mother with a red rose of love as she ascended the altar with her father. She kissed her father when he presented her to the groom. Her formal wedding gown of peau de sole was framed with Alencon lace garlands at the sweetheart neckline and garlands of lace was scattered on the chapel train of the skirt. She carried a bridal bouquet of a dozen white roses that was arranged around a white orchid. The bouquet was carried atop a white Bible. A strand of pearls belonging to her grandmother, Mrs. G. T. Rudd, was worn by the bride as something old. She carried a penny and wore the traditional blue garter. Miss Winnie Marie McPherson served as maid of honor for her sister's wedding. Mrs. Norma Jean McPherson, sister-in-law of the bride and Mrs. Betty Moore, sister of the groom, were also bridal attendants. They wore identical frocks of pink silk chiffon

over taffeta with matching hats and shoes. Bouquets of pink roses framed with pink net and cascading streamers of pink satin were carried by the bridal attendants. Brenda and Barbara Davis, cousins of the bride, served as candlelighters for the ceremony. Britta Sue Willeford of Abilene was the flower girl and Rex Dee McPherson was the ring-bearer for his sister's wedding. Elmer Floyd Gootman served as the best man for his brother's wedding. Groomsmen were David Rudd McPherson, brother of the bride, and Jodie Moore, brother-in-law of the groom. Ushering duties at the evening ceremony were performed by Mac Applewhite, uncle of the bride, Danny Davis, cousin of the bride, and James Hunt, cousin of the groom. The mother of the bride was attired in a beige brocade dress. She wore brown accessories with a beige hat and gloves, and an orchid corsage. Mrs. Gootman, mother of the bridegroom, wore a grey suit with black accessories and an orchid corsage for the marriage ceremony. A reception honoring the couple was held at the home of Mr. and Mrs. W. B. McPherson Jr., uncle of the bride, in Hamilton following the ceremony. Guests walked through a candle lit drive to the garden where they were served cake and punch. The bride's bouquet flanked by candles, decorated the refreshment table that was laid with a white cloth. The three-tiered wedding cake was adorned with tulle and wedding bells and topped with a miniature bride and groom. Floating in the pink punch was an ice ring decorated with white roses and pink Queen Anne lace. Presiding at the refreshment table were Julia McPherson, Sharon

Harrison and Edna Sue Gootman. For travel the bride wore a beige wool suit with accessories in brown pattern. She wore a beige hat and gloves and complimented the ensemble with a turquoise scarf. The orchid from her bridal bouquet, was worn as her corsage. The bride is a graduate of Pottsville High School and has attended Abilene Christian College and dWest Texas State University in Canyon. She is the granddaughter of Mr. and Mrs. W. B. McPherson Sr. of Pottsville, and Mr. and Mrs. G. T. Rudd of Energy. Her husband has recently completed a tour of duty with the United States Army in Korea. He is also a graduate of Pottsville High School. The couple will make their home in Austin where the groom is employed.

Band Parents See Movies Band Trip To Kentucky

The Comanche Band Parents Club held its first meeting of the new school year Monday night at the Band Hall. Autrey Merrell presided over the meeting which approximately 50 parents attended. Albert Brannan showed movies made on the band trip to the Jaycee Convention in Louisville, Kentucky, last June. Here From Brownwood Mr. and Mrs. Dale Fisher of Brownwood and daughter, Jody and Jill, visited his mother, Mrs. Cecil Fisher here Sunday.

...YOUR ELECTRIC PENNY

A penny is a penny and ... let's face it ... one of them just doesn't buy very much of anything. But, it's a fact that the pennies which make up the dollars paid for electric service buy today more than twice the amount of electricity which they bought 25 years ago ... a fact all the more impressive because, in the same period, the cost of living more than doubled. Now, for the eleventh time in its 51-year history, Texas Power & Light Company has made a general revision and reduction in

practically all of its electric service rates. The changes will be effective for the first time on all bills rendered during the Company's September billing period, and will reduce rates on an average of 2 1/4 per cent. Total annual savings for all TP&L customers will amount to approximately \$2 million. Electricity ... making possible hundreds of services, conveniences, comforts and pleasures in our daily living ... is still the biggest bargain in the family budget.

From Page 2)

feel welcome at Senior Citizens and 'have fun'.

"The officers and Board of Governors with the cooperation of the sponsors, the Recreation and Park Department are planning another active year.

"The program is being expanded and enriched by adding many new activities.

"For example two new crafts are being added this year. A lapidary is being provided for the rockhounds. Out of their own funds, Senior Citizens have purchased equipment and the Recreation and Park Department has furnished the space.

"China painting has been added this year and photography may be added next year. A dark room can be made available if necessary.

"In the way of entertainment, several fine stage programs have already been booked for next year in Yuma, including the nationally famous Country Cousins and the Barbershoppers and the very popular lady's quartette under the leadership of Mrs. Beverly Campbell will appear.

"A balanced program of movies, travelogues, lectures, special dances and music again will be offered.

"For the Senior Citizens who are interested in shuffleboard and other outdoor games, we have good news. Two new shuffleboard courts, a croquet court and a horseshoe court are to be completed at the Abe Marcos Park and ready for use by November 1.

"A number of interesting and guided tours are being scheduled for our winter visitors this year. "In addition to the Bandolero trips, which are sponsored by the Yuma Chamber of Commerce, and Recreation and Park Department, several other trips are to be conducted by the Senior Citizens for the benefit of the winter visitors and furnishes new money for the Senior Citizens, too.

"With all of these activities and many others yet to be arranged, we are sure to have a very busy and interesting season at Senior Citizens this fall and next winter.

"Fishing around Yuma is a fine all-year sport for winter visitors, and Senior Citizens and other

Yumans alike

"A general fishing license may be purchased for \$3.00 by an Arizona resident and for \$9.00 by a non-resident.

"Any account of the fishing in the Yuma area would be incomplete without mentioning the deep-sea fishing in the Gulf of California.

"Although the Gulf isn't Mexico, various fishing ports, such as El Golfo, San Felipe and Rocky Point, are readily accessible from Yuma. There is perhaps no better fishing in the world, in either salt or fresh water, than in the Gulf of California.

"All you old people who want to get young again, come to Yuma."

The University of Texas with its original "40 Acres" at Austin overflowing with buildings and spreading out for blocks around where more than 22,000 graduate and undergraduate students have enrolled for the new term, is now the biggest and richest university in the South, but it is not confining its work to Austin alone. It is reaching out over the State with such schools as Texas Western at El Paso and Midwestern University at Wichita Falls; but its greatest field of expansion is in the medical field.

The Texas University Medical Branch at Galveston is the granddaddy of all the University's out-

of-Austin institutions, and the 72-year-old institution is this year exhibiting the vigor and the enthusiasm of an astronaut and is starting 15 new projects this year.

The University Medical Branch at Galveston had more of its faculty members as active participants in the annual meeting of American Association of Anatomists than did 75 American, eight Canadian and one Puerto Rican universities.

The Dental Branch of the University of Texas is located at Houston and ranks with the best in the country.

The University of Texas M. D. Anderson Hospital and Tumor Institute at Houston, ranks with the best of its kind, and has a \$6,500,000 expansion program underway which will double its capacity.

The University of Texas Southwestern Medical School at Dallas has a building project underway which will double its research capacity.

The University of Texas Post Graduate School of Medicine is located at Houston. Physicians realize that a medical degree is only a passport to a life time of learning. One way that the University of Texas helps Texas physicians is through the educational program offered physicians at its Post Graduate School of Medicine in Houston.

University of Texas' newest in-

Library Lines

The Comanche Public Library offers many services to the people of Comanche County. One of the most popular is the Memorial Book service.

If you have a friend or loved one you wish to remember simply contact Mrs. Joe Waring at 356-3428 or Mrs. Bill Wilkerson at 356-3126. They will deliver an engraved notice to the funeral home stating that a book in memory of the deceased has been given by you.

A suitable book will be purchased and printed notice will be placed in the front of the book which gives the name of the deceased and the donor.

Following is a list of people who have given books:

Mrs. C. B. Baxter in memory of Mrs. Ora Ellis.

Mrs. Ruth Adell Moore Waggoner, Mr. Jack Moore, Mr. and Mrs. Preston Tate, Mr. and Mrs. C. B. Baxter, Mr. and Mrs. H. H. Williams in memory of Mrs. Bess Hudson.

Mr. and Mrs. Tom Coleman, Mr. and Mrs. H. H. Williams, Mr. and Mrs. Gail Dudley in memory of Mrs. Coralee K. Meineke.

Miss Rena Owen in memory of Mrs. May Nielson and Mrs. Ida Roberts.

Mrs. Tavia McArthur in memory of Mr. and Mrs. John Scurry

the medical field is South Texas Medical School at San Antonio

The South Texas Medical School at San Antonio, established by an earlier act of the Legislature, will move forward this year on several fronts.

The Appropriation Bill provides funds for the construction of the school's first unit on the new campus given by San Antonio citizens. Plans for close affiliation with other San Antonio institutions and military establishments also are under way.

A Commonwealth Foundation grant will enable the School's first dean, Dr. Robert C. Berson (who is president of the Association of American Medical Colleges) to inspect European medical centers this summer, and to consult with leading medical scientists on problems of organization and faculty recruitment.

Recently appointed STMS assistant dean is Dr. Joseph R. Shaeffer, medical education director at Santa Rosa Hospital.

and Miss Agnes Graham.

Mr. Jack Moore in memory of Mr. Bill Hicks.

Mrs. Elmo Montgomery and Mrs. John D. Waring in memory of Mr. Clyde Herley.

Mr. and Mrs. Bill Parker, Mr. and Mrs. Bill Jones and Mr. and Mrs. Bill Wilkerson in memory of Mrs. George Lippe.

Mr. and Mrs. Bill Parker in memory of Rev. E. N. Strother.

The library has also been presented with some very fine books from the libraries of Mr. and Mrs. Tom Coleman, Mrs. Kenneth Froh, Mr. and Mrs. Dwayne Prater, Mr. and Mrs. Dwayne Prater and Mrs. Jett Baker Cowden of Alvarado.

If you have a memorial or books to give please call the above numbers for prompt pickup.

The Comanche Public Library is open from 2 to 5 on Wednesdays and 9 to 12 on Saturdays.

Come by and browse. You are always welcome!

Local Collegians

Enjoyed Enticing

Summer Jobs, Trips

Why not get paid to take a vacation to one of the beauty spots in the United States? It is an idea worth planning for after high school and after a college career has begun.

Former graduates of CHS roamed over our country this past summer as they earned college money and visited lovely places.

It was in Yellowstone Park that Stanley Rauhut worked while he earned, prior to his return to Texas University for his sophomore year.

Tom Brightman spent his summer in Virginia—working and also seeing Monticello, Washington, D.C., and many points of interest in that vicinity. He, too, will attend the University again this year.

Lewis (Pug) Rambo, an ACC sophomore this year, traveled in faraway places during the summer as he worked in Tennessee, selling Bibles.

Judy McCullough, a former editor of the WARRIOR, worked at Estes Park, Colorado. Not even allowing for a trip home, Judy Kay returned to Texas Tech to enroll for her junior year.

Berta Brightman was a counselor in a summer camp in Vermont. On her way home, she stopped off for a tour of New York, and visits in Virginia and Cincinnati, Ohio. Berta is a senior in North Texas University.

High School students may be envious of these exes however, they can look ahead to similar jobs in future years.

—from CHS WARRIOR

Young Homemakers Honor FHA Members

Comanche County FHA members were honored with a picnic Monday, September 23, at Lake Eanes. Girls from Sidney, Gustine and Comanche were guests of the Comanche County Young Homemakers. The girls assembled at the lake at 5:30 Monday evening.

The Young Homemakers explained their purposes and program to the FHA members. A "little sister" award, which will be presented in the spring, was also explained.

Following the business program everyone joined in planned recreation.

—from CHS WARRIOR.

Decals For Sale

One way Comanche fans can support the Indians is with buying decals, or stickers, for their cars.

There are two types: one a sticker for the windshield; and the other is to be placed on the bumpers to glow in the dark.

Both these decals are on sale in Principal Troy Norris' office. Prices are \$1.50 for the windshield decal and 50 cents for the bumper sticker.

Fort Worth Visitors Mrs. W. M. Durham Jr., Mrs. Bill Dudley, Mrs. Howell Cobb, and Mrs. T. R. Durham were Fort Worth visitors last Saturday.

The average widow's Social Security claim awarded in July 1963 was \$71.66 per month.

Young Farmers To Attend Area Banquet Saturday

Young Farmers and their guests of Area IV will gather in Stephenville Saturday night, Sept. 28 to attend the Area Awards Banquet and business session. The meeting is to be held in the Tarrant State College dining hall beginning at 6:30 p.m. This banquet concludes the activities of the first "Young Farmers of Texas Week," as proclaimed by Governor John Connally.

Speaker for the occasion will be Jim Morris of Austin, Director of Information for Texas Electric Cooperatives. Master of ceremonies will be Dick Palmer, Area IV president of Dublin. Program directors are Area officers including Daymond Power, Comanche, Area vice president, and Bill Lane, Rt. 1, Gustine, State vice president. Highlight of the program will be presentation of awards.

Awards will be presented to the Outstanding New Chapter, Outstanding Chapter, Outstanding Young Farmer and in Publicity. The Comanche County Chapter which has a past history of success in Area competition will have entries for the Outstanding Chapter and Publicity awards.

The local chapter, organized in 1960, has been runner-up for Outstanding Chapter the two previous years, captured top honors in Publicity twice, had the runner-up for Outstanding Young Farmer in 1961 and the Outstanding Young Farmer in 1962. This is an exceptional record when you take in consideration that Area IV is roughly one-tenth of the state, stretching from the Red River to Hamilton County in Central Texas, bounded by Abilene on the west.

Area first place winners will go on to competition at the State level.

Ed Mabra Claimed By Death

Ed Mabra, 62, Comanche County resident for 49 years, passed away at 10 p.m. Tuesday, Sept. 24 at his farm home, Rt. 1, Blanket. He was a well known farmer and carpenter.

Funeral services for Mr. Mabra were conducted at the First Baptist Church in Blanket at 3 p.m. Thursday, Sept. 26, with Rev. S. J. Isham, Gustine Baptist minister, and Rev. Ed Russell, pastor of the Blanket Baptist Church, officiating.

Interment was in the Blanket Cemetery, with arrangements by the Comanche Funeral Home.

Funeral bearers were Jake Simpson, Frank Switzer, Barfield Forehand, Roy Dabney, Rutherford Damron, and Charles Porter.

Mr. Mabra, son of the late James Albert and Nancy Elizabeth Mabra, was born May 6, 1901 in Dallas County. He was converted early in life and was a member of First Baptist Church, Blanket.

He was married May 14, 1925 to Miss Margaret McDonald.

In addition to his wife, Mr. Mabra is survived by two daughters, Mrs. Maxine Dabney of Blanket and Mrs. Gladys Howell of Gustine; 3 brothers, Frank Mabra of Lancaster, Jim Mabra of Waxahachie, and Mike Mabra of Comanche; 2 sisters, Mrs. Gustie Hightower of Waxahachie and Mrs. Lela Brown of De Soto; 1 grandchild, and one great-grandchild.

Funeral services for Mr. Mabra were held in Blanket Friday night to see the Comanche Indians meet the Lampasas Badgers. Marsha Wilkerson went home with them after the game for a week-end visit.

In 1962 this Chapter produced the Outstanding Young Farmer in Texas and topped the field in Publicity. With records like these and interest high, an enjoyable evening is promised.

Gadzooks! Whatta Mess of Crickets!

As one Comanche citizen said the other day: "The whole world smells like a dead cricket."

Last week the annual Cricket Crusade moved through Comanche leaving downtown buildings covered in black clouds of the critters. Although the situation has improved, still lawns are alive with 'em, garages are full of them and somehow they even get into the homes.

Although the problem is temporary, most folks agree that it's not temporary enough. This is actually our second cricket invasion of the year.

Up to every occasion, the Texas A&M extension service put forth a news release this week which starts: "Field crickets are beginning to invade homes and lighted areas," says H. A. Turney, area entomologist, Texas Agricultural Extension Service.

Ah, Mr. Turney, you are so right.

Turney also says that "the crickets should be killed since they will attack textiles such as cotton, linen, wool, silk, as well as fur. Articles made of nylon, wood, plastics, fabrics and leather may also be damaged by the feeding of these insects. Clothing and paper stained with perspiration, greasy food, milk, syrup and others may be injured by them."

The entomologist also urges treating outside the home to prevent crickets from entering the house.

"If crickets do enter the home, areas around fireplaces, dark crevices behind furniture, baseboards and closets should be treated. Chloroform, disulfur, lindane, sevin and toxaphene are effective insecticides when used according to manufacturer's directions," Turney states.

Another tip: "Dead crickets 'Dead crickets should be removed and disposed of."

Hmmmm. Good advice. Anybody got a dump truck.

Elk's Lodge To Meet In Brownwood

An organizational meeting of the Elk's Lodge will be held in the Brownwood Hotel, at 7:00 p.m. Monday, September 30.

Anyone interested in joining the lodge from Comanche or Comanche County is invited to attend this meeting.

Move to Newburg

Mr. and Mrs. B. M. Ward have moved to the Newburg community from Missouri. They have purchased the G. B. Stanley place, which includes the former Newburg Store. Mr. Ward is a brother-in-law of O. E. Rippetoe, Comanche. The Wards lived in Fort Worth for many years before moving to Missouri.

Final Rites For Ed Miller Friday

Ed Miller, 79, widely known Comanche Countian, died of a heart attack Wednesday, Sept. 23 at his Lamkin farm. He had resided in the Lamkin sector for many years.

Funeral services for Mr. Miller will be held Friday, Sept. 26, at 2:30 p.m. at the Lamkin Methodist Church.

Interment will be in Toller Cemetery at Lamkin, with Barrow-Rutledge Funeral Home, Hico, in charge of arrangements.

Mr. Miller was the father of Homer Miller, Lamkin, former Comanche County Commissioner, Precinct No. 3.

Young Homemakers Active This Week

BORIS HILLIARD, Reporter

The Comanche County Young Homemakers of Texas met August 27, for the election of officers for the new club year. They are: Henrietta Reed, president; Lena Davidson, vice-president; Darlene Thornton, secretary-treasurer; and Doris Hilliard, reporter-historian.

Governor John Connally has designated the week of September 22-28 "Young Homemakers of Texas" week.

Friday, Sept. 27, is Community Day. Attending the football games not only helps support our youth, but our future.

Saturday, Sept. 28, the Area meeting will be held from 9:30 a.m. to 2 p.m. in Stephenville. Late Saturday, a banquet will be held in the Victor Hotel in Stephenville for the Young Homemakers of Texas and their husbands.

We would appreciate any interest shown toward our club, for we are trying to achieve the goal of making our homes and towns better places to live.

MRS. DAVID JOHNSON BRUSH

Miss Barbara Jane Craddock Bride of Mr. David Brush

Miss Barbara Jane Craddock of Gustine became the bride of David Johnson Brush in a double ring ceremony performed by Rev. Jack Patton in the home of the bride's mother on Saturday, Sept. 21.

The bride is the daughter of Mrs. Bishop Craddock and the late Mr. Craddock.

The bridegroom is the son of Mr. and Mrs. Marshall Brush of Route 1, Dublin.

Miss Nancy Phillips of Houston was the bride's attendant and the bridegroom's father was best man.

The bride wore a street length dress of ivory brocade satin, featuring a scoop neck, short sleeves and full skirt. She carried a white Bible topped with feathered carnations.

Miss Phillips' dress was brocade satin made on the lines of the bride's. Her corsage was white carnations.

The bride is a senior in the High School. The groom attended Gustine High School, is employed by Higginbotham in Comanche, where the couple plan to live.

REFRESHMENTS — GIFTS FOR THE LADIES AND CHILDREN!

ARTHUR CHEVROLET

More School Budget

Continued From Page 1

from \$351,010 to \$374,511. \$312 PER PUPIL

Per pupil cost for the 1963-64 will be \$312.00. Net scholastics for the school district for 1963-64 will be 1134 with the state having set per capita at \$76.00.

All the school board members studied in detail the expenditures and receipts from all areas. A detailed study was made of the Interest and Sinking Fund with the outstanding balances of all bonds gone over.

A study of the conclusion of the building fund was gone over.

The local fund assignment from the state was studied. Salaries of all personnel was reviewed. Cost ratio was studied with respect to all areas.

In other work in this board meeting the school board amended any variation on the 1962-63 as required by state law.

1,953,609 widows received Social Security checks totalling \$129,689,000 for July 1963.

Chevrolet offers 43 models for '64

For 1964, the Chevrolet Motor Division will offer a total of 43 models in five separate passenger car lines. Each line is distinguishable by its own styling and wheelbase. Above, reading down: the 108-inch wheelbase Corvair Monza Coupe; the 110-inch wheelbase Chevy II Nova 4-Door Sedan; the newest car in the Chevrolet family—the

Chevelle Malibu 4-Door Sedan which has a wheelbase of 115 inches while the Chevrolet Impala Sport Sedan is built on a 119-inch wheelbase. Not shown is the Corvette Sting Ray which sports a 98-inch wheelbase. Chevrolet dealerships will have a representative showing of all models when the new cars are introduced September 26.

interest in the 1963 awards prompted the decision to make them again in 1964.

There are five state regional committees—one in each of the five areas of the State Association of Soil Conservation Districts. Nominations may be made to any member of the regional committee in the area where the candidate lives.

Members of each regional committee are the Area Vice President of the State Association of Soil Conservation Districts, a resident official of the Young Farmers of America, an Area Supervisor of Vocational Agriculture, a District Agent of the Texas Agricultural Extension Service, an Area Conservationist of the Soil Conservation Service and an outstanding banker.

All nominations for the honors must be submitted to the proper committee by December 1, 1963. The awards are donated by the Hoblitzelle Foundation of Dallas and presented at Renner by the Karl Hoblitzelle Agricultural Laboratory of Texas Research Foundation, administrator of the awards.

The Hoblitzelle Foundation was established in 1944 by Karl St. John Hoblitzelle, Dallas philanthropist, who has been active for half a century in civic, educational, cultural, patriotic and charitable movements.

Winners of the 1963 awards were Bill Lane, Comanche County dairy-livestock farmer of Gustine, and Richard McAdoo Riley, Trav-

Wesleyan Service Guild Holds Monthly Meeting

The Wesleyan Service Guild of the First Methodist Church held its first meeting of the 1963-64 year on September 16 in the church parlor.

The meeting was opened with a prayer by Lois Jeanes, Ruby Steed, president, conducted the business meeting and gave an outline of the year's work.

The program was presented by Connie Rambo who spoke on "Where Does A Christian Woman Volunteer Her Time?"

Refreshments were served by Kathleen Eads, Connie Rambo, and Helen Croft to Alda Arthur, Julian Pagley, Gaynelle Cauley, Nobia Dunn, Min Elkins, Berta Goodson, Louise Hill, Rebecca Hill, Lois Jeanes, Vera King.

Also Thelma Jean Morrow, Marguerite Ross, Louise Sledge, Octa Sloan, Beulah Stark, Ruby Steed and Adelle Todd.

The next meeting will be on October 28 during the Week of Prayer and Self Denial. The meeting will be a joint night meeting with the Women's Society of Christian Service.

KOOD KICKOFF RETURN—Hard running back Larry Bonner is pictured making a good kick-off return Friday night, as the Indians clashed with the strong AAA Lampasas Badgers. Lampasas beat the Indians 40-0. Leading the play are Indian backs Larry Harbour, seeing action on offense for the first time this season and who did a mighty good job, and Rickie Henry, promising sophomore back.

Attends Brother's Rites—Mrs. Hardy Jones of Comanche attended the funeral services of her brother, Clarence Emerson, last week.

Which Steals Show; Farmers - Ranchers Receive Rewards Via The Hoblitzelle Foundation

Down with the spirit of '62; up with the spirit of '63! shout-out to the typical image of Miss Fanning, as she portrayed the typical image of Miss Fanning, dressed in black from head to toe, to begin the first pep rally of the new year. Although the pep rally did not show its true spirit at this first pep rally, it aroused just enough spirit to give a hint of greater things to come.

RENNER, Texas.—A pair of fortunate, hard working Texas farmers or ranchers engaged in unselfish tasks will find themselves next spring amid some unexpected glory reaping a bountiful harvest of green.

The two will receive the 1964 Hoblitzelle Awards for the Advancement of Texas Rural Life—honors that will be conferred upon them during Texas Research Foundation's Awards Dinner at Renner on Wednesday, May 20.

"Search for the two men is underway through a team of statewide committees," Dr. C. L. Lundell, Director of the Foundation, said this week. "One recipient will be a junior farmer or rancher who is 35 years of age or younger. The other will be a senior who has passed his thirtieth birthday."

Next May each will be presented an award of \$5,000 in cash, a gold medal and a scroll in recognition of his outstanding contribution to the improvement of rural life. The four year period of service covered by the awards is from July 1, 1959 through July 1, 1963.

Eligibility for nomination for the 1964 Hoblitzelle Awards is open to any farmer or ranchman, Dr. Lundell continued. Any organization, business, institution or person may make nominations to the proper committee. The actual plan of land improvement used by a candidate on his own land will receive prime consideration.

"The 1964 awards change a precedent set several years ago when the rural life awards were presented only every two years," Dr. Lundell said. "Keen statewide

Expect great things from Chevrolet again-for '64

Now...Jet-smooth Luxury '64 CHEVROLET

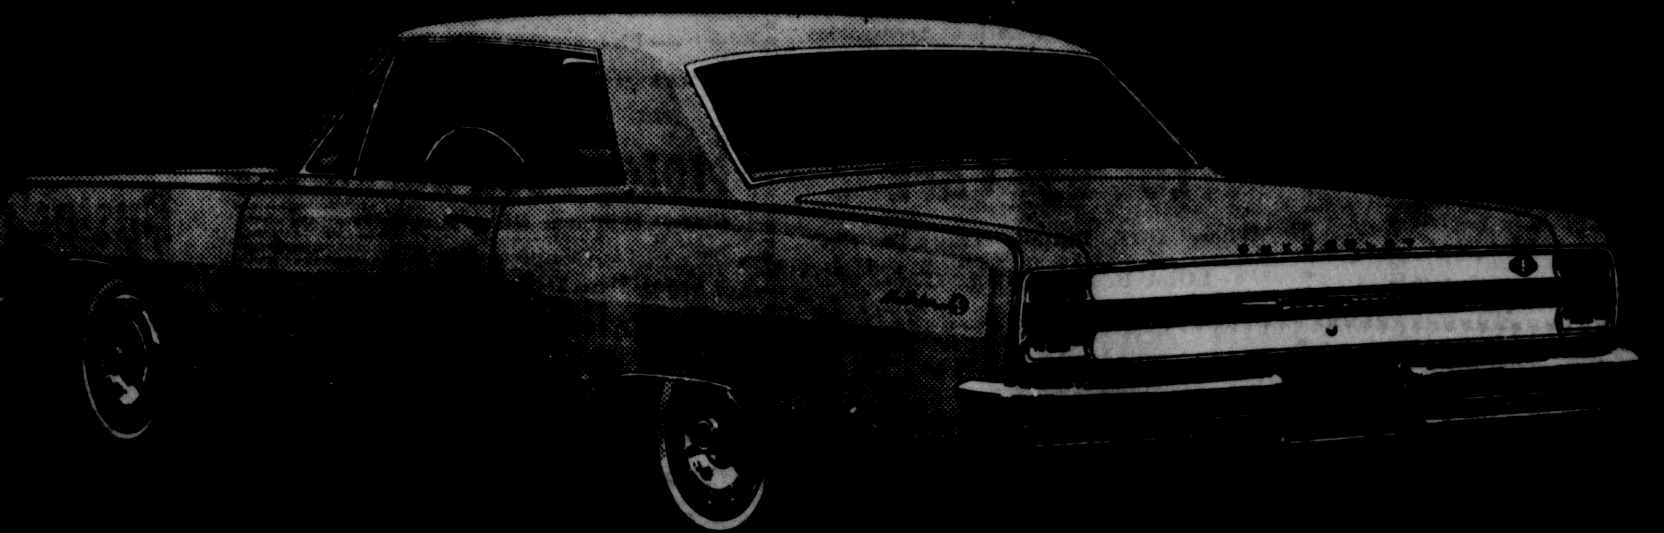

'64 Chevrolet Impala Sport Sedan—one of 15 Jet-smooth luxury Chevrolets.

Chevrolet was luxurious before, but you should see it now. With smart new styling, the '64 Chevrolet looks even longer (but isn't). There's even a whole new series this year—the Impala Super Sports—with front bucket seats as standard equipment. (The new Impalas and Bel Airs are more luxurious,

too. Even the lowest priced Biscaynes have new foam-cushioned seats front and rear and are fully carpeted.) Of course, you expect more than just luxury from Chevrolet. A choice of 16 power teams, for instance—a 6 and six V8's up to 425 hp (optional at extra cost). And quieter transmissions. Jet-smooth

ride with Full Coil suspension. Flush-and-dry rocker panels, Delcotron generator, self-adjusting brakes and other low-upkeep features. If you've ever wondered how luxurious Chevrolet could get—with all the extra-cost options there are to choose from—that seems to be entirely up to you.

Take your first look at the first CHEVELLE!

CHEVELLE! by Chevrolet

New Chevelle Malibu Super Sport Coupe—one of 11 models in three great series.

Cold days ahead! . . . Avoid the first wintery day's rush, and be sure now your dependable gas heating equipment is ready to provide constant comfort.

CALL YOUR HEATING DEALER, PLUMBER, or the Arkla Gas service

office to give your heating equipment a thorough checkup NOW. Have them check vents, filters, inspect automatic controls, thermostats and fan motors, re-light pilots, and clean your furnace . . . Then your heating equipment will be ready to go to work for you whenever you need it!

ARKANSAS LOUISIANA GAS CO.
Serving Low Cost Natural Gas to Nearly 300,000 Customers in Arkansas, Louisiana, Oklahoma, Texas and Kansas

You've never seen anything like this totally new line of cars before. Chevelle is new in everything but Chevrolet quality. Chevelle is a good foot shorter than the big cars, so it parks easily. Yet the interior dimensions of its Body by Fisher provide a generous amount of head, leg and shoulder room. (Chevelle's trunk is big and roomy, too.) The ride is surprisingly smooth with a rugged coil spring at all

four wheels. And not so surprisingly for Chevrolet, the new Chevelle offers a choice of engines ranging from an economical 120-hp 6 to a 220-hp V8 (optional at extra cost). Choose the Chevelle you like best from the three series—the Malibu Super Sport, the Malibu and the 300 Series, eleven models in all—at your Chevrolet dealer's. (Like this good-looking Malibu Super Sport, maybe!)

Miss Queister Is Bride of Danny Mims In Missouri Rites

Miss Kathleen Virginia Queister, 5310 Troost, Kansas City, Missouri, became the bride of Roy Dante Mims Jr., 542 Park, Kansas City, on August 31.

The bride is the daughter of Mr. and Mrs. Arthur E. Queister of Ft. Madison, Iowa, and the bridegroom is the son of Dr. and Mrs. Roy D. Mims of Comanche. The ceremony was performed at 3:00 p.m. at the Bethany Baptist Church in Kansas City by Rev. Alex Copeland of Hamilton, Georgia. He was assisted by the Rev. Luther Dyer.

Miss Sue Hull, Burlington, Iowa, organist, accompanied Mrs. Marjorie Groene of Donnellson, Iowa. Dr. Mims was his son's best man and ushers were Ted Hamlin and James Linton of Kansas City.

The bride, given in marriage by her father, wore a white floor length gown of silk organza and chantilly lace. It was fashioned with a basque bodice with a sweetheart neckline, long lace sleeves, and deep insets of lace in large box pleats of the skirt. The bouffant veil of illusion fell from a plateau of petite flowers.

Mrs. Barbara Tabb of Kansas City was her sister's matron of honor. She wore a gold satin street length dress and carried a cascade arrangement of bronze mums with white streamers.

The mother of the bride wore a light green sheath dress and the mother of the groom chose a mauve lace. Both wore lavender orchids.

Following the ceremony a reception was held in the dining room of the church. Miss Kristi Mattson of Minnesota was at the guest book.

The guests were served the traditional three tiered cake topped with wedding bells.

For their wedding trip to Dallas and Comanche the bride chose a dark brown sheath dress with black accessories and wore a corsage from bridal bouquet.

The bride has her BS from Iowa State University and attended

THE COMANCHE CHIEF

the Memrah Medical Center School of Medical Technology. The bridegroom has his BS from Texas Wesleyan College in Fort Worth and is now a senior student at Kansas College of Osteopathy and Surgery.

Out-of-town guests included Dr. and Mrs. R. H. Mattson and family of Minneapolis, Minnesota, Mr. and Mrs. Gayle Rippeteo of Comanche, Mrs. Carl Malone of La Jolla, California, Mrs. Chester Pezzey of Montrose, Iowa, and Mrs. George Duker of Ft. Madison, Iowa.

CARD OF THANKS

In appreciation of the beautiful floral offerings, the friends who called, the food which was brought in and served, and our special thanks to Dr. Mims and Dr. Lowell at the death of our beloved wife and mother—J. E. Poyner, Mr. and Mrs. James Poyner and children, Mr. and Mrs. Larry Poyner and children, Mr. and Mrs. Jerry Poyner and children, Mr. and Mrs. Bryant Jones and children.

School Menus

Comanche Public School lunchroom menus for Sept. 30-Oct. 4:
Monday: Beef pattie with gravy, macaroni salad, candied yams, slice tomato, buttered batter-bread, milk, syrup.

Tuesday: Hamburgers with lettuce, tomatoes, onions and pickles, potato chips, fruit salad, milk, plain cake.

Wednesday: Red beans, sweet relish, turnip greens, scalloped potatoes, corn bread, butter, milk, chocolate cake.

Thursday: Barbecue on bun, pickles, potato chips, stuffed celery, milk, apricot cobbler.

Friday: Steak and gravy, mashed potatoes, green beans, slice tomato, hot rolls, butter, milk, honey.

In New Mexico Revival

Rev. Kenneth Brandon, pastor of the Liberty Free Will Baptist Church, Comanche, is conducting a revival in Carlsbad, N. M.

JARRATT REGULAR WITH AUSTIN COLLEGE GRIDDERS

Jim Jarratt, Comanche's 8-AA All-District guard during the past two grid seasons, is a stellar defensive lineman for the Austin College Kangaroos, Sherman. The 5'11", 165-pound freshman has been a strong defender in the two games played this season by the Austin College "11", who have won one game, and tied the other. The Kangaroos play Saturday in Clinton, Mo.

Jarratt, '63 CHS graduate, is the son of Mr. and Mrs. Whit Jarratt, 1000 N. Houston St.

Here From Austin

Mr. and Mrs. H. R. Lacy and Jimmy from Austin were in Comanche over the week-end visiting with relatives. They stopped in Lampasas enroute to Comanche and watched the Comanche-Lampasas football game.

Visit in Killeen

Mr. and Mrs. Bill Wilkerson, David, Katie and Noel spent Sunday in Killeen visiting with Lt. Col. and Mrs. Paul Wimert. Marsha Wilkerson returned home with them after spending the week-end with the Wimerts.

Plagued Day And Night with Bladder Discomfort?

Unwise eating or drinking may be a source of mild, but annoying bladder irritations—making you feel restless, tense, and uncomfortable. And if restless nights, with nagging backache, headache or muscular aches and pains due to over-exertion, strain or emotional upset, are adding to your misery—don't wait—try Doan's Pills. Doan's Pills act 3 ways for speedy relief. 1—They have a soothing effect on bladder irritations. 2—A fast pain-relieving action on nagging backache, headache, muscular aches and pains. 3—A wonderfully mild diuretic action thru the kidneys, tending to increase the output of the 18 miles of kidney tubes. So, get the same happy relief millions have enjoyed for over 60 years. For convenience, buy the large size. Get Doan's Pills today!

1964 has arrived— at your Plymouth-Valiant Dealer's

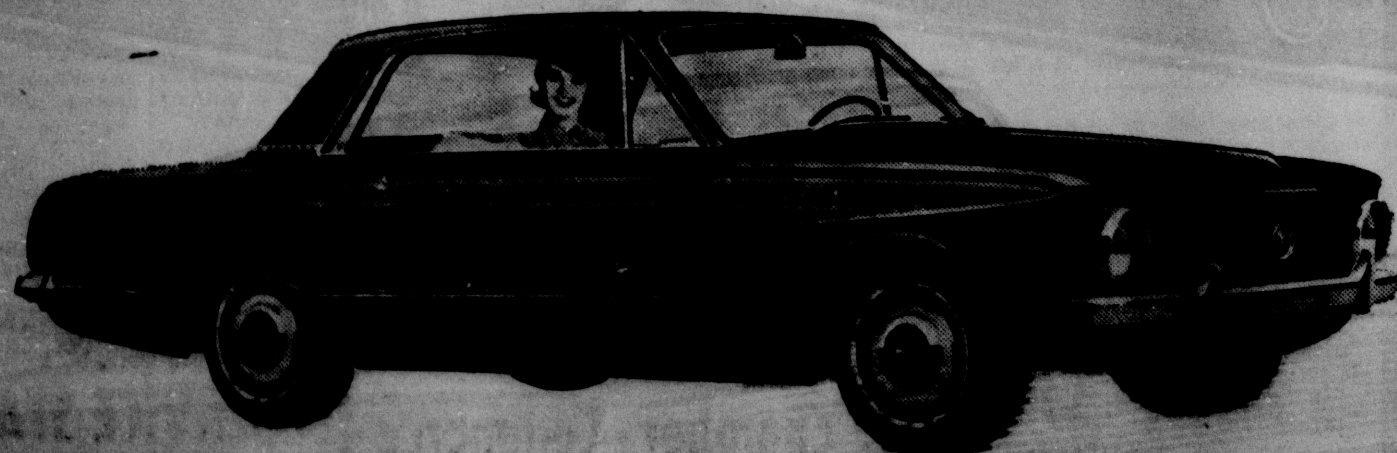

New '64 Plymouth...this good-looking car really gets up and goes
and has a 5-year/50,000-mile warranty* to keep it going that way.

This is the brand-new Plymouth for 1964. It is clean, simple, modern in every line. It is quick, alert, vigorous in every move.

And it is backed by a tough 5-year/50,000-mile warranty* on the parts that keep you going...the engine and drive train.

Altogether, if this is the year you picked to buy a new car, you picked a beautiful year to *Get up and go Plymouth!*

New '64 Valiant...this smart-looking compact is a hummer in its own right
and it's the low-priced compact with a 5-year/50,000-mile warranty*.

Would take a lot of compact to top Valiant this year. Take styling. Valiant has more class all around than most compacts. Take

performance. Valiant's standard 134-hp engine is where the upper "business" comes from. Take quality. Valiant's 5-year/50,000-

mile engine and drive train warranty* speaks for itself. Take a test drive. Soon, Valiant's 5-year/50,000-mile warranty will be your own.

HERE'S HOW THE 5-YEAR WARRANTY PROTECTS YOU: Chrysler Corporation warrants for 5 years or 50,000 miles, whichever comes first, against defects in materials and workmanship and will replace or repair at a Chrysler Motor Corporation Authorized Dealer's place of business, the engine, transmission, drive shaft, rear axle, front and rear wheel bearings of its 1964 automobiles, provided the owner has the engine oil changed every 3 months or 4,000 miles, whichever comes first, the oil filter replaced every second oil change and the carburetor air filter cleaned every 6 months and replaced every 2 years, and every 6 months furnishes to such a dealer evidence of performance of the required service, and requests the dealer to certify (1) receipt of such evidence and (2) the car's then current mileage.

See Plymouth and Valiant in action on "The Bob Hope Show," the "World Series," and "The Huntley-Brinkley Report"—NBC-TV.

SEE BOTH AT YOUR PLYMOUTH-VALIANT DEALER'S TODAY!

Mrs. Sam Howell and Mr. and Mrs. O. J. King spent Sunday in Cisco visiting with Woodrow Howell and family.

Letter To The Editor

Palestine, Texas
Sept. 18, 1963

Comanche Chief

Comanche, Texas

Dear Sirs:

Enclosed find check for my yearly subscription for the paper. I have enjoyed the paper as much this last year. Especially the old time happenings that you publish.

When I was a small girl I enjoyed reading the paper to my grandmother, Mrs. Mary S. Parker, and I remember there was a long story of some Indian story or pioneer happening in every paper. She could always tell me more about it than was published. I wish you could publish some of the stories she used to tell me around 1916 or thereabouts.

I have a collection of obituaries from the paper of the Parker and Pendergrass family who were pioneers of Comanche and Sidney.

Thank you for all you can publish about these pioneer days.

Yours truly,
Mrs. H. C. Crawford.

CARD OF THANKS

We wish to express our sincere appreciation for the many acts of kindness shown us during the illness and death of our loved one. We especially want to thank those who sent flowers and brought food, and to all those who ministered to him and to us in any way. May God richly bless each of you.—Mrs. W. A. Kirby and Family. (11p)

Teachers To Attend District Workshop Sept. 26

Miss Marguerite Ross and Miss Jewel Werner, local high school teachers, will attend the Workshop Conference, District XI, Texas State Teachers Association. This meeting will be held in Santa Anna High School on Thursday, September 26, beginning with registration at 5 p.m.

Cullen Perry, President of District XI, will preside at the banquet and the opening general session from 5:30-7:30 p.m. The keynote address will be given by Mrs. Elizabeth Little, Corpus Christi, vice-president of TSTA.

Discussion group meetings are to be conducted from 7:15-8:30 p.m. Miss Ross, who is serving on the Executive Committee of TSTA in District XI, will act as chairman of the Teacher Education and Professional Standards Chairmen and Future Teachers of America Sponsors Section. Both of these are nationwide movements organized and dedicated to the improvement of education of children and youth. FTA was initiated in 1937, and TEPS in 1946.

Miss Werner, who is currently service as vice-president and program chairman of the Comanche County Education Association, will attend the Program Chairman Section. Miss Blanche Shear of Brownwood will preside as chairman.

The closing general session which will be from 8:30-9:00 p.m. will include reports from the discussion groups.

11,800 Killed In Fires Last Year

Fire killed 11,800 Americans last year, over half of them in their own homes, according to National Fire Protection Association estimates.

Fire destroyed approximately \$1.5 billion worth of property in same period, in a total of about 2,100,000 fires.

The great tragedy of these statistics, County Extension Agent Angus Dickson points out, is that most of this waste of lives and property is avoidable. The record could be far different if everyone would assume personal responsibility for observing the rules of fire safety at home and on the job. "Don't Give Fire A Place to Start" is the watchword.

Fire Prevention Week, which this year falls in the period October 6-12, provided an excellent opportunity to re-emphasize the fact that preventing fires is everybody's job.

The local county observance of Fire Prevention Week will be sponsored by the volunteer fire departments of Comanche, De Leon, and Gustine, according to County Agent Dickson.

This traditional fire safety drive, proclaimed by the President in the United States and by the Governor-General in Canada, is sponsored internationally by the National Fire Protection Association in conjunction with other organizations.

Here From Big Lake

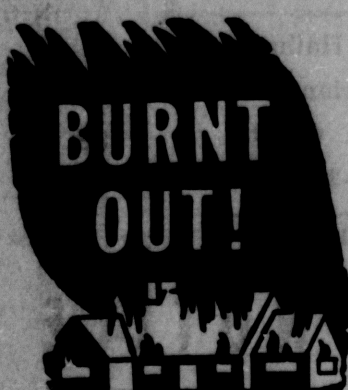

Mr. and Mrs. Johnny Poyner of Big Lake spent Sunday here with Mrs. Cecil Fisher. They were here to attend the funeral services for Mrs. J. E. Poyner.

Harold Perkins, Hank Durham, University at Waco, spent week-end in Comanche with families.

New luxury styling to match its total performance of a bright, new look to the lineup of Ford cars for 1964, top-selling Ford Galaxie 500 Series offers three distinct new roof lines including the 4-door sedan (top photo), engines and four transmissions are offered including Cruise-O-Matic Dual Range three-speed automatic transmission now available with all engines up to 390 cubic inch displacement.

PROTECT AGAINST FIRE HAZARD and LOSS

A fire prevention tip:

Get rid of all combustible trash. Also, make sure you're adequately insured, because not all fires can be prevented. Consult us today for the best fire insurance coverage.

NOTICE

OF HEARING

ON

COUNTY BUDGET

Notice is hereby given, that a hearing will be held at 10 o'clock A.M. on October 10th, 1963, in the County Court Room, at the Court House of Comanche County, on the budget for said County, for the year 1964. All interested persons are invited to be present and offer any suggestion or discussion they care to make of said budget.

D. F. Caraway

COUNTY JUDGE, COMANCHE COUNTY, TEXAS

The '64s from Ford are here: The Year of the Test Drive starts today!

Ford cars have changed. Only a test drive can tell you how much. Races and rallies, economy runs, braking and acceleration tests have bred into our 1964 models the kind of total performance you just can't create on the test track alone. They are hard-muscled, fast-moving, sure-footed. Open competition helped make them that way. They offer you substantially more car than anything at their price. You don't have to take our word for it. We're willing to rest our case on our cars.

TRY TOTAL PERFORMANCE FOR A CHANGE!

FORD
Falcon • Fairlane • Ford • Thunderbird

1964 SUPER TORQUE FORD
Strongest, smoothest, steadiest car in its field—by hundreds of pounds... More steel in frame and suspensions... Unique suspension system allows wheels to move backward as well as up and down to flatten bumps... Distinctive new roofline.

1964 FAIRLANE
Unique combination of family-size room, sports car feel and modest price... Optional 289-cubic-inch V-8 so lively it was adapted for famous Cobra sports car... Five engine choices, six transmission choices, eight different models.

1964 FALCON
Everything's changed except the economy that made Falcon famous... Falcon's Six still holds all-time Mobil Economy Run record for Sixes or Eights... Plushest ride ever built into a compact car... 14 models—plus three extra-duty wagons.
